forma,desing

In a tough job market, need a resume that helps my stand out in a sea of applicants.

The purpose of a strategically targeted ,polished resume is to get me an interview.

A resume is a document that summarizes our education, skills,talents, employmenthistory, and experiences in a clea and concise format for potential employers. Person 4

Try to include at least

one example of how you used feedback performance in the work experience section of your resume. Exaggerating the truth poor formatting.

of a person's education, qualifications and previous experience.

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

† 20 minutes

Students have the opportunity to meet their group members and focus on positive discussions about what skills, knowledge, and experiences they bring to the group.

Students have the time and space to get to know each other before starting an assignment or project.

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.
